“ *To the Bell family and friends please know you all are in our thoughts and prayers. Everyone who lived in Hartsville knew Henry. I got to know him very well well when my dad ran the store down below where he lived. Henry was a very smart man and a great painter. I know he will be missed by his family and friends. I will never forget the time when some of the farmers in the Byrd town area took Henry to the Honda place in Florence and bought him a new Honda moped. He didn't have to worry about peddling to get it cranked all he had to do was hit a button to start it. He was one happy fellow. Me and my dad was talking about Henry last week and he told me Henry was in a nursing home in Darlington.*
