*I grew up with Johnny. He was older than the rest of us so he had to put up with a lot From all of us wanting to drive his car when he stopped by Grandma Woods house. To all of us hiding smoking. He was always the coolest and would always let us drive his car.. He would always speak up to take up for us. i have so many wonderful memories of Johnny.. His accent mixed with ours made his voice one of a kind... Go rest high on the Mountain until we meet again.....RIP.*
