“ Joe, I'm so sorry I wasn't able to attend Jordan's service today due to my cousins death. We remembered Jordan at our recent class reunion and many shared good memories. He brought smiles to those that knew him.

“ *Joe, such fond memories of Jordan. We were high school classmates and actually lab partners in chemistry. Think we even hooked the gas line to the water!! Jordan brought a lot of joy to my Dad (Heyward Galloway) who told wonderful stories of their fishing trips together. My husband (Peter) and I were able to have Jordan ride with us to one of the high school reunions and share a wonderful evening with him. Truly a blessing in my life to have known him. I am so sorry to hear of Jordan's passing. Jordan and I were in Mrs. Hawn's Kindergarten together. We went to West Carolina and started 1st grade. It was a new school and we were so excited. I will miss Jordan.
