“ I will always remember this kind, caring man. I always looked forward to him coming into my office with that "big" smile saying that he just wanted to check on how things were going. He got so excited about telling us old stories about the town of McBee and how Mar Mac came to be.

Mr. McLeod was a very smart man and loved everyone. I never heard him say anything bad about anyone. His thoughts were always positive and I learned a lot from him.

I thank him for giving me a job for almost 25 years.

You will be missed by many.##imported-begin##Fran and Sam Masters##imported-end##
