Loved the pictures! I'm just now learning about Mr John passing away. I really liked him alot..I saw him so often when he was "courting " my Aunt Nina.. he sure was good to her and they seemed to enjoy each other's company..I looked forward to seeing him when I was over there taking care of her and helping her out. I know he missed her terribly when she passed away...Mr John sure was a good looking guy in his young days! Thoughts and prayers to family and loved ones..

My cousins, I wish you the joy you will feel everytime you think of him or something reminds you of him. He was the last of the “Munn Family” and he was a very wise and generous person. He made us laugh, think, wonder and sometimes made us feel dumb, but it was always with grace and a smile. God be with you.

“Crum, Cracke and Nooder; our thoughts and prayers are with you all. I remember riding bikes on the roads near his shop. He would always let us stop in the shop and get a soda out of the box he had in there. He could fix anything and I know my daddy and all his siblings had a lot respect and love for him. Last time I saw him at Hardee's he asked if I wanted him to get me a cup of coffee. He was always sweet. We love you all.
