“ *I'm sorry I heard about this late. My deepest condolences to the family. I played rugby with John at USC - we all knew him fondly as "Stretch." When information about his passing reached our group, there was obvious sadness but also very happy memories about him from everyone. He's a good man and we will miss him. Prayers are being said by many of us. Sincerely, Brad Muller*

“ Great memories of John and the Wallace family when they first became involved with the Players. It was a "family" endeavor and it was great getting to know all of them. John was always friendly and polite. I spent many hours at the Wallace home and have fond memories of his mother. I'm sure she is there with him now and comforts him. Prayers for Elizabeth and Scott, Harry "Boopy" and Wayne, and Harry, Jr., and his friends and employees at IPS. I know you will all miss him.

“ *Although I was not John's biological mother, nevertheless, he was still one of my sons. He was always polite, kind and considerate to his Dad's "new" wife. He accepted me into the Wallace family and was happy that his Dad had someone to love him and take care of him. My heart breaks for Elizabeth, our daughter-in-law and Scott, our precious grand-son. I loved you for the past twelve years, John. You will never be forgotten as long as Harry and I live. We're praying that Jesus was there, waiting for you with open arms. "Happy trails to you, until we meet again."*
