“ Dear Vickie, Mary, Budgy and family,

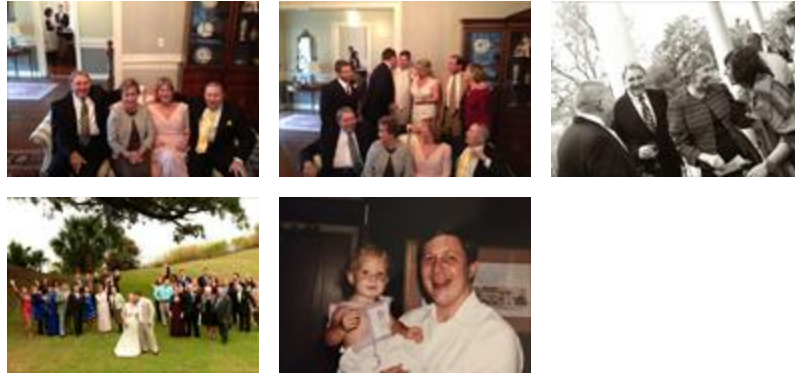

It is with a heavy heart that I extend heartfelt sympathies to all. Guy will always have a cherished spot in my heart! As we all form our experiences and memories that bring us through life, Guy was a solid part of my foundation as we transitioned through our years in pharmacy school and for many years afterwards. I have heard the many comments about his character of a true southern gentleman, and I can attest, he was! Well....maybe cept for a few pranks we played on each other through the years! I laugh out loud when I think of those memories. Each of you cherish all of the memories! They are many and they are good. I wish God's peace to each of you.

“ Our Sincere Condolences are with each one of you at this time. Guy was a great friend in Pharmacy School and we shared many memories together, along with Bart Norwood. The 3 of us studied together and had some grand fun times, especially shagging to Beach Music! I have a framed picture of the 3 of us in Tux at Bart and Janet's wedding, , in my office, which makes me smile everytime I see it. He wil be greatly missed, but left us with many smiles and laughter during those young years!
