“ Ms Dianne, Shell, John, and Allison,
I do not know where to begin to express how much you all are in my thoughts and prayers. I can't even recall a single game at REL while we were growing up that he was not there with a huge grin on his face. I will not be able to be at his service tomorrow but please know that I will be praying for you, your family and your friends while you say your goodbyes.

“ I will miss Wes coming into our Sunday School class every Sunday to get candy from our dish and just generally aggravating us. We would ask him "Is Dianne coming"? Most of the time he'd say "I don't know" We always knew if you were not coming, Di". He just wanted to aggravate us. Love to all of you
