“ Lori and extended family, On behalf of Embrace Hospice and the Howard Family, I would like to express a heartfelt sorrow for your loss. In the book of John chapter 14, reminds us that in my Father's house are many rooms; if that were not so, He would have told us and He went there to prepare a place for us. This earth is not our home, and we are only passing through this land, so hold on to the promise, for one day you will see your loved ones again. My prayer is that God will continue to hold you close as you press on.

If there is anything I can do, please know that I am a phone call away.

“ I am blessed to have known your mom and dad. Our days at Twitty UMC are very memorable. Your dad was always ready to talk and keep me laughing... especially when he and your mom were telling some sort of story. I will keep your family in prayer and know that you've been blessed with your dad's memories and love for you. May God Be With You,
