“ Johnny 'Pee Wee' my heart is broken that you are gone. I know that Uncle David, Aunt Louise and Betty were waiting for you with very open arms to welcome you home where there is no more sadness, sorrow or tears. There will only bliss and goodness forever more.

Those growing up years at Papa and Grandmama's in Society Hill will always be held with good times, love and more food than we could have ever eaten. Papa was not about to let anyone leave hungry whether you were a child or a grown up.

That was the way family and love were supposed to be. I miss those days and lifestyle very much.

That was the way the world was supposed to be always.

'Pee Wee, I will forever miss you my dear first cousin with all the love that I have for you until it is my turn to pass on to the place where there is no sadness, sorrow or dark lined thunderclouds. Please give everyone

*a tight hug for me.
Love
Bug.*
