“ Nancy and Parks,
I am so sorry for you both. They broke the mold when Johnny was born. Quite a guy that has put a smile on so many faces and that is how I will remember him, always smiling. I did get to talk to him a few weeks back and that meant a lot to me. Life is so precious and I am so sorry for you both as I know how he loved and adored both of you. I wish I could have visited with you but I will try and get by when I return from Iraq. Thinking of you both during this difficult time. I'll miss him too.###imported-begin##David Hill###imported-end##

“ Johnny, I'm going to take Nancy to Mexico, we will kick it up, just as if you were there with us...

I never told you that I considered you my best man friend..maybe you knew that anyway!

Peirce just woke up and is sitting on my lap wondering why I'm crying, I told him a little bit about you and he put his hand on my face, he said I would see you again on Saturday.

Sleep tight my friend...

Carinos,

Diana and Kenny too!
