“Daddy, I did what I told you I would. I took you home, I stayed by your side every second for that week. You were in my arms when God took the last bit of light out of you. My heart broke into a million tiny pieces and I didn't want to let you go. I hope I made your proud, I hope you know that I love you. I surely miss you. I pray that God will allow me to see you and grandma again, just to see your faces and tell you how much I love you. Rejoice in heaven and know that you are still in my heart constantly.

“ I am close friends with his son John. I met Mr. webb several times, he was always in such a good mood. **THE ONE THING i CAN SAY, HE WAS SO PROUD OF JOHN..** for what he had become. He always look up to him in a way only a father could be humble. I'm so glad his boys could be by his side in these tough times. My thoughts are with the family.
