Millie...I am so sorry for your loss. Trent was the sweetest guy and totally in love with you. I don't think I ever saw him look at you without a great big smile on his face. Your love was special and you will always have those great memories when you think of him. God has a new loving angel...and you will always have an angel to watch over you with nothing but love in his heart.

“ This has saddened me greatly. Millie, my sweet Millie. Baby I wish I could wrap my arms around you right now. Trent was your soulmate. You loved him since day one. My heart breaks for you and his family and friends. I am here if you need me for absolutely anything. Even if it's just a blue raspberry blow pop, a good hug and a shoulder. I love you baby girl. My prayers are with you and the family.

Millie, I am so truly sorry to hear about Trent. I know that you feel empty on the inside right now. Just remember, God had a plan for Trent that none of us knew about. He chose Trent because he was the perfect person to get the job done. I know you will miss him and you will think, as you already do, that you will never feel for anyone else. Please let me know if you ever want to talk or just listen to you express your feelings. You see, I have been where you are right now and that's why I feel your pain. You are a wonderful, caring, compassionate, loving, loveable young lady with wonderful things to do. I Love You, Millie Lee and don't ever forget that. Nanny Huggins was probably waiting at the pearly gates for Trent !!!! Love & Prayers, Aunt Cric
