“ Just a few weeks ago, Joey told Bruce he feels good and he had already lived longer than they expected. He shared it just didn't feel right to wake up each day and not go to work. They had such a good visit but he expressed how hard it is to see how his health problems effects those he loves the most. I can't imagine how hard this must be for his family and so many lives he touched but their conversation to me is a message he wants his loved ones to be happy. I pray God's brings you Peace. Our family will be praying for all of you. He was a very, very special person. Love, Bruce & Marissa Walters

“ *Ed, Barbara, Eddie and Matt,
Growing up in Club Colony wouldn't have been the memory it is without saying how much of it ran through your home. We were all Clemson Tigers, Pittsburgh Pirates and Steelers. And then there was golf. I was so lucky to live in a neighborhood where I was part of the loop of holes 12, 13, 14 and 15. I remember the first time playing golf. Joey was there. In fact it was Joey who kept after me to play. We started on the first tee and played through hole 4. I remember my score! I also remember playing in the Junior Club Championship final round against Joey. It was match play and I was way ahead at the turn. After it was all over, Joey won the match on the last hole. Joey "lessoned" me that day probably more than he would ever know.
My heart and soul reaches out to you today. My prayers include thanks and praise. Joey was and will always be my friend.*
