*Alex.the love I have for you is the strongest love. I've ever felt. My heart hurts so bad, we were so close and talked several times a week. I don't know how I can make it without you. you left such a Hugh hole in my heart. I know God will help me, because right now I know he's giving me the strength to take every breath. Alex, I know you will be.with me. I know. you came sat on edge of my bed, the day after you left us. Baby, I heard what you said, I tried to do what you ask but I couldn't. you know I had to say until I see you again. I can't even imagine what you went through your last hours on this earth. I am so,so sorry you didn't have a peaceful way to end your life. But, I guess that should of been expected from you. Babe you're whole life you always stood out over everyone else. I hope the people that did this to you and took you away from me. Suffer with every breath they take. IPray they never live one peaceful moment the rest of their lives. THank you for helping get over loosing Dave, I never thought a heart could feel so empty. Now I know it can. Alex I know you are in a much better place..Babe, please stay close to me until we see each other again...
I LOVE YOU MORE THAN LIFE ITSELF.*

“ I miss my friend so much. I don't know where to put this deep feeling of loss. He was my friend, one of the realist, truest ones I have ever had. We were more than neighbors in some odd way I think we found comfort in the fact that we had each other out here. Many hours spent talking about anything and everything. Life, love. God, I miss him.
He was somebody to me.....
My heart goes out to his family and loved ones and I want you to know that others are sending prayers your way and keeping Alex in their heart.##imported-begin##Johnna "Tracy" Hellaby##imported-end##
