Bill and I were sadden to hear of Gerry's passing. He was truly a fighter.I know that he kept going when others would have quit. He had a beautiful spirit about him and a most marvelous laugh.Our loved ones will always be alive in our hearts and minds.

“ *To the family members of Gerry Paulhus..I want you to remember the good times that you spent with Gerry. He was a very special Dad and spent time with his family when the children were growing up. I coached a Dixie Youth Baseball team and Gerry's family was very much involved in the activities of the children. The boys played on my team and we spent many hours practicing and I realized they were a special family. Team members were ages 9, 10, 11, and 12. My how time passes so quickly. That was in the 1960's. My prayers are with each of you during this difficult time. Memories are forever and I cherish those I spent coaching Dixie Youth Baseball because of the families that I got to know. The Paulhus' will always be a part of my memories. God bless each of you.##imported-begin##Wayne Sims##imported-end##*
