“ *I remember how she use to call me over there to fix her remote on the tv multiple times or come over and get the cable company on the phone about her bill. Or ask about my step mom. I know that the last few years my daughter brittany who is married to her grandson Robbie was always going over there because she wanted her. And my grandson kip and Granddaughter leilah loved their GIGI. I will pray for you all and so very sorry it just doesn't seem real. But shes in no more pain.*
