“ *Oh Marjie and family, I'm so sorry for you loss, it's been 25 years now since I lost my sister, and 11 years since I lost my mother and 5 years since I lost my brother, so I can really understand your loss, my brother was only 64, my sister 42, but still your sister was way too young, we lost my former boss over a year ago, he was only 75, broke my heart and of course that of his widow, know that you and the family are in our prayers, my sister passed this time of year too, Dec. 28, 1989. <3*
