“ *We met Ms Juanita when she buried her mother at Darlington Memory Gardens. At that time, I was the Office Manager and William was a Family Service Counselor. When she left SC to move near her daughter and grand-daughter, "Sunshine", we always kept in touch by letters and phone calls. When she decided to move back to SC, she called to say, "I am back home". Ms. Juanita was a people person who never met a stranger. She will be greatly missed but not forgotten. We were happy to be a part of her life. To the family, have hope in the resurrection. Revelation 21:3,4.*
