“ *Johnson Family,  
I am so sorry to hear of your loss. It has been many years ago that I met Judy for the first time . She was working in the old Byerly Hospital on Pediatrics whenever I was a new grad from nursing school. She was always cheerful and her patients loved her. She was a big encouragement to me as a new grad also. She made me feel comfortable in my performance and was a good example. She was only working part-time then and I was full- time. I know you all, as a family will miss her terribly. Take your memories and cherish them and know how she would want you to carry on. I will be praying for you all.The angels in heaven have to be rejoicing, for another saint has come home.  
Sincerely,
