Wayne and Eric, I just learned today about Judy's death. I'm so sorry. I spoke with her just a few weeks ago while planning the annual Byrd Family Reunion. She was so helpful with addresses and telephone numbers. I enjoyed our conversation and was so looking forward to seeing each of you at our reunion, but due to the storm that weekend we were unable to see our cousins. Hopefully we will all get to see each other at another, pleasant family event. I know you miss Judy. May God give you the strength to carry you through. Love and prayers to your families. Martha King

“ Judith and I both crocheted. Some times she would save a seat next to her so I could help her with a new stitch. Once she got it, the finished project would be absolutely beautiful.
