“ Life is not easy without your sweet kindness here to offer advice or just listen. You know all to well the tragedies that have happened since you left us. I now realize the pain you endured when you lost your son. You never get over it you just go thru the motions. I miss you Mama. Heaven must be beautiful with you there.

“ This Christmas just like all the other's since you've been gone don't have that special feel that you gave it. I Hope Christmas In Heaven Is wonderful but more than anything I hope Ryan is with you. I miss you both so much and life is hard to carry on. I send you kisses and love ..Please share them with Ryan and tell him how much his mother misses him.

Gale - December 28, 2017 at 06:41 PM

“ I am at a loss these days. Never did I imagine life would go this way. Ryan's death has and is taking me to a place I never imagined could be so lonely and hurtful. I know you see him..how could two of the most wonderful people in the world not be in heaven. I hope he forgive's me and knows that I would give all to have him back. Please tell him that for me. I love you and miss you Mama but I also know you were ready to go. You said so many times in those last weeks.

“ Hey There. Life is sure empty without you. How many times have I wanted and needed to hear you give me some advice or simply just talk to you and see your face. We take it for granted that the people we love or ones that love us will just be here. What I wouldn't give to be able to kiss you and laugh with you today. Know you're loving heaven and seeing your son and sisters and brothers again. I Love you MaMa.

“ Two years ago today you left us for a better place. Looking at the sky today its the same bright beautiful blue that it was then and I couldn't help but wonder if you notice it to. I'll always miss you, always love you, and have finally found some peace in knowing that you are In heaven. Hey don't think I don't know that you still look out for us, even way up there..

“ Almost a year ago that trip to the hospital that was suppose to be only a couple of days and then you would be home and fine ended in us losing you. I think of you so much , miss talking to you and wish I could walk into your house and still see you sitting at the kitchen table. I remember you talking about your life and growing up and then saying "Ya'll dont wont to hear about that old stuff". I'd give anything to hear you tell those stories again. You were special. You loved us unconditionally. Never a day goes by that I dont think of you and speak to you. I hope you hear me. Miss you Mama.
