“ I had the pleasure of sitting with Mr. Gainey during his illness and it was during this time that he and I shared our silent conversations. He spoke volumes eventhough it was not always audible. I cracked the jokes and he would always chuckle. He loved his family with all his heart. I believe that he is with the Lord now waiting for you all to join him one day. My prayers are perpetually with you all.##imported-begin##Alfred Williamson##imported-end##

“ Dear Gainey Family,
As I was sitting with you this past Sunday morning, my heart was overwhelmed at the sight of seeing all of Mr. Julian's family gathered at his bedside holding his hand and showering him with kind words and sweet music. I know he must have left this world feeling so much love from all of you and now he is experiencing a kind of heavenly love that we can only dream about. Renee, you and I have been holding each other up these past few months since we shared the same heartaches and fears of having a Daddy with a serious illness and I know it was our prayers for each other that sustained us during some hard days and nights. My heart breaks for you and you know I am here if you need me. You are all in my thoughts and prayers.
