

Mr. Julian Randolph Moore

May 7, 1957 - April 14, 2024

It is with deep sorrow that the Moore family announces the death of their beloved uncle, Mr. Julian Randolph Moore, 66.

Mr. Moore entered into rest on Sunday, April 14, 2024. The Directors of Brown-Pennington-Atkins Funeral Home & Crematory are caring for the family.

A funeral service to honor his life will be held at 3 o'clock on Sunday, April 21, 2024, at West Hartsville Baptist Church, with The Rev. Dr. Kevin Walters officiating. The family will receive friends immediately following the service.

In lieu of flowers, memorials may be made in his honor to Wycliffe Bible Translators, PO Box 628200, Orlando, FL 32862.

Mr. Moore was born on May 7, 1957, in Hartsville, SC. He was the son of Sandra Windham Moore and the late Julian Shull Moore III.

Randy attended Robert E Lee High School in Bishopville, where he played football. From high school, he attended Clemson University, where he studied architecture. In 1974, Randy broke his neck in a diving accident that left him a quadriplegic. Showing true character and perseverance, he never let that slow him down and never took advantage of his disability. When he came home, he

completed his degree in Marketing at Florence Darlington Technical College. After graduating, he went to work for the family business Drives and Controls Specialties Inc. in Hartsville. He spent many years traveling and doing control work with print presses and other machines all over the East Coast.

In 2005, he was blessed to join Wycliffe Bible Translators, which was a dream come true. This gave him the opportunity to become a missionary and serve his Lord and Savior by spreading the word around the globe (also, he wouldn't have to dodge forklifts in the workplace anymore). He was able to incorporate his computer skills remotely to assist missionaries all over the world in translating God's word.

Randy beat the odds from the doctors and from life itself and made the most of what God had given him. He loved the Lord and loved sharing his faith with anyone who would listen. There was hardly ever a time the Bible wasn't playing on his computer while he worked and even slept. Randy has done an awesome job, not only taking care of himself but also taking care of his mother despite his personal challenges.

He leaves behind family, loved ones, supporters of his work, and prayer partners. Randy is now in a better place, no longer confined to a wheelchair and worshipping his Lord in a way that we can only imagine.

He is survived by his loving mother, Sandra Windham Moore; niece, Amanda R. (John) Hopkins; nephews, Casey R. (Jessica) Moore, Daniel R. (Courtney) Moore; great-nieces, Jaelyn S. Hopkins, Addison G. Hopkins; great-nephews, Aiden M. Hopkins, and Callen J. Moore.

In addition to his father, he was preceded in death by his brother, Kenneth Daniel Moore, and his nephew, Jason Moore.

Serving as Honorary Pallbearers will be: Loren Rothman, Jim Huntley, Tim Tripp, Mitch Olinger, and Mark Jenkins.

“ God's comfort to all who love Julian.
I, too, benefited from his expert computer tech help. I appreciated his strong faith in Christ, and his easy-going, patient and caring attitude. What an example of cheerful perseverance in spite of such physical limitations! But as others have already said, would have liked to have seen him after he became free of those at last. I'm sure Jesus had looked forward to receiving him and rejoicing with him.

“ I was the Wycliffe Bible Translators HR specialist who walked with Randy through his application for membership. Throughout the process, the interviews, the references, the chats I had with him, I was struck by his joy and contentment despite his situation. You can see his smile throughout the tribute. I would call him from time to time and it was always a constant with him. My life has been enriched by knowing this godly man. Can anyone imagine the moment for Randy when he ditched the wheelchair and began to dance and sing with his Savior and Lord? Can you imagine the joy he had when he heard those words, "Well done good and faithful servant?" I can't wait to meet him again one day.

“ May his memory be eternal! Randy is home now. I met Randy, when we went to FD Tech, back in 79. We graduated in 81, we were always together getting into things. He was my ace, in the whole, in accounting class. If not for him I would have failed, thank the Lord, I could see what he was writing in front of me! LOL! I will never forget that. We have stayed in contact and have been friends since then. He was an awesome worker for God. I will miss him. My deepest condolences to the family. Again may his memory be eternal. Love always to you Randy,

“ What a blessing it was to interface remotely w/Julian for the last several years since we returned from 22 years of missionary service in Asia! Of course we connected because of his dedication to provide computer tech support for missionaries but we talked about so much more life, Christianity, world events, culture and so much more! In recent months we hadn't interfaced as I was heavily involved in my wife's care after being diagnosed w/cancer. Julian will be greatly missed but am rejoicing in God has completely healed him and Julian is in his Heavenly Father's presence!

“ I'm one of the Wycliffe missionaries that called Julian from time to time for help with my computer. I never met him in person but I was blessed by his very kind spirit as he worked with me over the phone. It was obvious that he cared that I was having a problem, and he always had a way of figuring out the technical issues. His sweet demeanor, however, was just as much a blessing, maybe more, as his superb IT help. Knowing he's with his Lord and Savior now and rejoicing in his new body brings me much joy. But he will be missed. He was a genuine example of the difference Christ can make in a suffering saint's life. I send my warm condolences to his family and friends.

“ Randy was an inspiration to me and truly a man of faith. I had the pleasure of being on his care team for the last 6 years. I witnessed first hand his character, perseverance, and indomitable faith. He had a wacky sense of humor and he could go on and on with cow jokes. He had a mountain of patience as he worked with people all over the globe to fix their computers so they could continue the ministry of Bible translation, his ministry passion. We prayed daily for his complete healing and I believe that we may have not witnessed it but he walked out of his room on Sunday we just did get to see it. To the glory of God. I will miss my friend but look forward hearing more cow jokes when we see each other again.

“ Randy was a sold out man of God. It was always a blessing to hear him speak, because his passion for Jesus and wanting others to know Jesus, was always revealed by the Holy Spirit.

Randy has been on the Prayer List at Calvary Tabernacle for 12 years. We have been praying for Randy to be completely healed from the top of his head to the bottom of his feet. This past Sunday, Jesus was faithful to us again and answered our many prayers.

Because Brother Randy is now walking with Jesus! 🙌🙌🙌🙌

Thank you Brother Randy for being such a faithful servant to Jesus, and leaving a legacy for others to follow. ❤️
