Julie, Cathy and Debbie are cousins. But somehow we had gotten out of touch for many years. But in the last several months we had found each other again. I'm so happy we did. Julie and I got to share some old memories and talked like we had never been apart. She will forever be in my heart. Love you Julie!

“ God only knows how much I will miss you. No one can imagine! You fly high baby girl, fly high! I don't know how I'll get by without you, just don't know how. We talked on the phone most of the day. You are with our family that went on before you, what a great reunion that had to be. I am sooo happy we always ended our phone calls with I love you, because I do and always will. I am so proud that you can walk again! Isn't that wonderful! I love you 💕
