“ *In loving memory of my KK, To the worlds best aunt and second mom a man could ever have. I am so sad to see you go and will miss you dearly but in the same breath I am glad you are at peace and without pain. I love you now and forever. We will see each other again. As beautiful as a butterfly is, it can not compare to your face or smile. But I will look for you in the butterflies for the rest of my life.*
