“ *Kimberly, I was so sadden when I learned of your mother's passing. We'd been friends for many years long before you and my late daughter, Caroline Terry, were born and although I'd lost touch with her over the last few years, I thought of her often and will always value her friendship. I do wish there were words that I could say that would provide comfort but words are so inadequate at times such as these. I do know that your mom loved you more than anything and was proud of you. I always loved to see the way her eyes would light up when I would run into her around town and ask about you. Please know that I will be praying for you in the days ahead and if there is anything that I can do to help in any way please do not hesitate to let me know. Love, Rebecca*

“ Kimberly, I'm just reading about your mother. I haven't had the pleasure to meet you, but I was well acquainted with your grandparents, Bill & Myrtle; also Kathy, Tom & Scottie. Your Grandfather, Bill and I worked in the Safety Department at Sonoco for several years. Oh, the stories I could tell! He was one of my favorite people & it hurt me deeply when he died. Myrtle was always so kind and patient and a great friend. We shared some wonderful times together and I will remember them always. In my mind, I'll always see Kathy as that cute little blonde girl who could wrap that big old Daddy right around her little finger. My condolences and prayers are with you and your Uncle Tom.

We shared a lot of laughter and also shared many tears over the years. I had not been in touch with her for the past few years, but I did think of her often. “ *To Kathy's family: Those sometime difficult high schools years were much easier to bear with a friend like Kathy. Her sense of humor was her constant companion. Many great times were shared - that are now fond memories. Rest in peace, friend! You were greatly loved and will be greatly missed.*

“ *To Kathy's Family: My heart is breaking for each one of you. Kathy and I were best friends all the way through our school years. Lots of great memories growing up and spending time together and having fun. She was such a geat friend. We lost contact through the years and I did run into her occassionally and we'd catch up. I know she will be greatly missed but hang on to those memories and share. She loved her family as well as friends. She will always be in our hearts forever. Rest in Peace my Friend,
