“ God saw you were getting tired
When a cure was not to Be
So he wrapped his arms around you
And whispered Come to me
You didn't deserve what you were going through
So he gave you rest
The garden in heaven is so beautiful
He only take the best
And when we see her sleeping
So peaceful and free from pain
We could never wish her back
To suffer that again

Connie and your entire family I'm so sorry for your loss but always remember your mother is in a much better place. I will keep your family in my prayers .
