“ You were always more than an aunt to me. You and your sister were to much alike so it was like I had two mothers. Always looking out for me, and trying to help save me from the mistakes I was making. The mistakes which both of you had experianced already. You were such a beautiful, and strong person. You always made me smile when I was sad, and gave me strength to be there for my mom. There are so many wonderful words I could use to describe you, but none of them are equal to you. We love you so much, and we will never forget you. Your smile, and your heart has touched us all. I am so happy that you had found Harry, and had a piece of hevean on earth. I aslo thank Harry for he showed you a life of love in whatever short a time, but was when the Lord knew you would need his companionship the most. I lvoe you, and always will.##imported-begin##Chris Keeble##imported-end##
