“ One of the most loving and caring person anyone could have in their life. Kathy's beautiful laugh always pulled you into her moment of fun. Working with Kathy on different job shut downs, gave a great bonding of knowing no matter what the task you were assigned, come lunch time .. we shared a sandwich and laugh, great memories were made. My condolences go out to family and friends, Kathy will be missed, she will remain within my heart and thoughts. " I closed my eyes and could see Kathy standing at the gate of pearly white. She is walking in within The Kingdom of Heaven, What a most radiant light .. I saw an Angel .. Jesus gave my dear friend her new wings," I opened my eyes to a new light that shines upon the earth, I looked around outside my window today and found peace in my heart. I love you girl...
