Tribute Wall

“ Dear Ray,
We were so saddened to hear about Katie's death. Mother & I, in particular, have such happy memories of her, reaching back to our 1st introduction to her in 1st grade at Carolina Elementary School. She attended all our dance classes & recitals at "Miss Sarah's" Dance Company, she was there for all of our Jr. High and High School events, etc.....she was always available for anyone who needed her assistance, whether at home, church, school,.....the smiles we have of her are endless! We shall greatly miss Katie, but we celebrate her life and how she touched each of our lives in such a positive manner. Our love and prayers our with you, Love, Jackie, Ray and Norma(Walker).##imported-begin##Jacqueline Ludrick-Chambers##imported-end##

“ Mrs.Katie Sowell was a wonderful lady. When I had my acct in FPNB, I would always go to her window for my bank business just to get a chance to chat with her. When I was in college, if my mother forgot to make a deposit for me, leading to my account being overdrawn, Katie would call Mom and let her know and keep the overdraft from being "official." May God give the family strength and comfort through the happy memories they have of Mrs.Sowell.##imported-begin##Jimmy Ballard##imported-end##

“ I worked with "Miss Katie", as we affectionately called her, at Wachovia many years ago when it was FPNB. She was a wonderful person loved and respected by all. My husband, Howard, worked with Mr. Raymond at Sonoco. I still have our wedding gift from them and remember them everytime I use it. They were a wonderful couple, and I hope it helps to know that others will miss her too!

Fondly, Pat Dampier###imported-begin###Pat Dampier###imported-end##
