“ *I just learned today, November 13, about Kaye's death, and I am sad and so sorry. Kaye and Carol and I were cousins, and although we lived in North Carolina, we visited Grandma and Uncle Ellie's family every Christmas day and perhaps at other times. It was always a highlight for me to be with Kaye and Carol. Carol and I were closer in age, and we had such good times together. I remember meeting Kaye's Mike when they were dating, and I can still vividly "see" Kaye in her wedding dress--think I have a picture of Kaye and Mike in the front yard after they were married. When I was around 12 years old, my family moved to Red Springs where my mother acquired a boarding house and began serving meals to the public, so our visits to Hartsville became infrequent because mom's days were so full. I regret that my career took me to Virginia, and I rarely saw Kaye and Carol--the last time we saw each other was at Uncle Ellie's funeral. Please know that my thoughts are very much with Kaye's family--may your many good memories of Kaye, like mine, sustain you during this sad time. Betty McNeill Fahed*

Kaye and I were very close friends in high school and we both were in the band playing clarinets. I remember the Ford she drove around with our 'group'. Kaye has gone through many years of suffering and my thoughts and care go out to her family
