“ *I am Eric Galloway. It is 06/28/2021. I'm just finding out of the passing of kelly. And her mom also. I worked with Kelly at Jeter and Skinner in Florence. We had so much fun when we were together. She will be truly missed. I will have an empty space in my heart because of missing her.*

My condolences to the family and friends of Kelly. I recently found out about Kelly's passing from an ex co- worker. Kelly and I worked together for many years. I nursed there. But Kelly actually trained me to do x- rays. Later I ended up going back and getting my radiographer license. All because of the kindness of Kelly. She always brightened my day! Her smile and wit was so contagious. She made work so much fun. Was always there to help in whatever was needed. I'm also sorry to hear of her Mother's passing. I have thought of Kelly so many times over the years. I know she is missed by so many. Rest easy Kelly. Until we meet again. Prayers to the family.
