“ Johnny & family - although I did not know Ken personally, I know that your brother was an important part of your life. I know, all too well, the pain of losing brothers and sisters. Please remember that the HHS Class of '61 love you and we'll always be here whenever you need us. Our friendship has lasted a long time - since we were in the first grade at Thornwell Elementary. Many miles have separated you from all of us for a long time, but you are here, in our hearts, forever. May God grant you and your family the peace that only He can give. Harry, our classmates and I are praying for all of you. You are loved.
