“ So sorry to hear of Dean's passing. I have known him since childhood and he was one of the funniest, joke telling person's and always the class clown from elementary to high school. The last time we ran into each other it was just like the old days of laughing so hard we cried. I shall cherish all our memories and your favorite words to me, " I am older than you if only by 1 month & 1 day.. I am still older and taller so don't forget it, shorty". Rest in Peace my friend!!
