“ Tick was so special to our family He was our dear friend and family member He was Lawrence’s golfing buddy He was our encyclopedia of knowledge of History and who belonged to who’s family in all of Hartsville, if we didn’t know something we just called Tick. It will be a big adjustment not getting a phone call or calling him and hearing his voice We will miss him coming out to Lowe’s and sitting with us for hours at a time to Him being at Thanksgiving and Christmas dinners with us So many things we will miss, But I know Tick is happy playing golf in heaven and wouldn’t come back to us now We love you dear friend and you will always have a special place in our hearts ❤️🙏
