“ I Would to express my deepest sympathy to the Warren Family. Kenny will be missed by all that knew him because he was such a special person that could always make you laugh. We have had many good times together over the years, especially on some of our Beach trips as teenagers. We were young and if we were low on cash sleeping in the car on the Beach just added to the excitement. I'll always consider Kenny to be a true friend. May God bless the Warren Family and help them through this most difficult time.##imported-begin##Johnny Walters##imported-end##

“ Daddy, There are no words in this world that I could possibly think of that could explain how I feel. You were my heart and there is nothing or no one that can ever change that. This whole thing still doesn't feel real to me. Its really hard for me to accept the fact that you're gone but I know I have to. I hate that you had to go so soon but I know I will always have the memories of you to live with me forever. And I am soo thankful that we were as close as we were and shared so many secrets together because now no one can take that away from me. You were not only my daddy but you were my best friend too. And I know that no matter what you were soo proud of me and I will try my hardest to continue to make you proud of me for the rest of my life. But no matter what I will always keep you #1 in my heart forever. And I promise to take care of momma & the girls just like you would have. I love you more than words can explain. Love Always, Liza ["Dey Baby"]##imported-begin##Liza Warren##imported-end##

“ This is for Teresa Johnson Warren I Love You! There is nothing that can change that! I'm right here, always was, always will be!!!! This is another part from a letter from Kenny dated 7/28/1984 and I quote "Letters from home mean alot and I hope that soon we can all dry our eyes and smile. It's bad but as we all know it can't and won't last forever. We will all be together again soon!"-----again I quote "As for the other things I've read I was also pleased that Miss Johnson might want to come see me. Of course your smilin face must accompany and tell her she'll have to say she's a neice also. She'll have to say or you can rehearse her on which sister or brothers youngun she might be!Just remember I love you too and if you could i know you would set me free!" Well I couldn't set him free then no matter how badly I wanted to!! Now Jesus has set Kenny free to live by his side forever! I don't think I was ready for that but Thank You Jesus for all the wonderful,crazy,happy,scary,sweet and loving times that we had with him !###imported-begin###kimmerly warren myers###imported-end###

“ These are some excerpts from letters Kenny wrote to me back in 1984.He was OUT OF TOWN.Knowing Kenny as we all have I hope you here the voice of the young man he was then ...I sure do!!!It's bittersweet but just a small part of the man I knew and loved of all my life. -----"Be yourself no matter what others think. It's all thats ever kept me going.I've been there and here.Now I must go over yonder wherever it is. Good , bad it doesn't matter I'm just me without any real classifications." This was my uncle Kenny that I LOVE so much. He always had good advice for me. And Uncle Kenny your over yonder now is a glorious heaven with Grandeddy ,Grandma and aunt Geraldine ...kiss them for me !!! Kim###imported-begin###Kimberly Warren Myers###imported-end###

“ Thank you all who came to see my brother off in his life's celebration service. As everyone knew he was blessed to the heavens with 5 angels my sister Teresa and the girls. I love you all so much. Milton you were the best brother, I hope you know this. To Richie, baby if Kenneth was able to see his Harley roaring to the croud as you made it roar in it's great last ride for it's Master, He could hear it telling the world in it's celebratory roar "My MASTER is own his way to glory to see JESUS see the smoke rising?" With glee it roared and a cry of roaring that it's Master would also be gone from it. Kenneth soared as an eagle, as he rode as a free bird. as the song he loved and soaked up life and prayed as he rode him and his Harley and Teresa knew this is the way his farewell had to be. Teresa, Be strong my love, Liza, Laya, Jade, Jenna. We are here babies for you. Sister I love you and call the grace of GOD down and HE will bathe you in HIS sweet peace Darling. We'll never let Kenneth's memories go, they are what keep's us strong. He was the best of all he was and did. I love you my brother, my friend, my heart! “ Dear Donna, Brenda, Debra, Jimmy and all the family:  
I was so saddened to see that Kenny has passed away. Although I have not seen all of you in many years I have some great memories of days long ago, double dating, riding around the Rainbow, the Hartsville Mall and around town. Kenny seemed to be friends with all the guys I dated back then and I will always remember his infectious smile, laughter, his sense of humor, love of adventure and pulling pranks and jokes on his friends. I lost my 20 year old daughter to cancer in August 2005 and my mother last year. Loosing someone you love is something that you never really get over but learn to live with on some level. I hope that your memories of good times with Kenny will stay with you always and comfort you in the days, weeks, months and years ahead. Kenny always seemed to enjoy life with such zest and vigor...remember how much he loved all of you and especially that he will forever remain in your hearts.

Sincerely,
