Mema, and Family: I am so sorry to hear about Pa's passing. He will be greatly missed by our family. He was always a part of family. I enjoyed talking with him about the bible. “ Mema, Angel Debbie, and Ken I am so sorry to hear of "Pa's" passing. He has been a great friend. I will never forget the times Ive visited you all when you lived on Marlboro Avenue. those were great times. I will never forget one time when Steve was living, the subject of a hair cut came about in the course of our conversation. I was sitting in a chair facing away from the kitchen, and someone said look behind you, I turned around and lo and behold Steve didn't come in with a rake Resembling a comb and bush clippers resembling the scissors, I thought that Pa was going to roll out of the chair laughing. "Pa" believed in a clean yard for sure i think it was all dirt the day I raked it for him one year, He wanted all the lines going the same way straight, He said "Dont leave no left or right side lines its got to be straight not a straight line then rake from the left or the right". Neat and perfect. never seen one raked perfectly straight in my life till that day. He had always invited me to eat with them when I would visit , he always said its not much but you are welcome to eat with us. I almost felt like a 3rd son. I will never forget the times that Pa, myself Doodle Gilbert and Jerry Griffiths would load up in Doodles Car and travel down to Dillon SC on a wednesday night to Rev Junior William's Church at Northside. I was in a store after service on night we were coming back home from a service there. I paid for my stuff and was walking out to the car NO CAR I walked around the other side of the store and here they come cruising up behind me, Pa nearly scared me to death. But I knew they wouldnt leave me. several times around September Pa and Mema would invite me to ride with them to an Indian Campmeeting in Pembroke NC he really loved those outdoor campmeetings. Pa loved his family and has never met a stranger. He was just that remarkable. He was a prayer warrior, he believed in prayer. HE always enjoyed Kenny Sports from Dillon singing the song "God reached Way Below the Bottom for me that night." That song became a true one for him. A faithful Father, Husband Brother, and Friend." Im going to miss you Pa thanks for all the great times and the fellowship we all had over the years, You will be greatly missed" My prayers and thoughts are with you as you face the days ahead. Always reflect back on the memories that you cherished with

PA, they will last a lifetime.
