“ Until we see each other again, always know you will hold a special place within my heart!

We had our disagreements, and our ups and downs. You made our "Morphis" family complete with your kindness and appreciation towards all of our patients. Each and everyone of them adored you and loved, Mrs. Kimber unconditionally without a doubt.

Fly high my friend, as high as you can watch over us and make sure we are doing what we need to do!

*Until then, take care of your grandma, I know you're having a blast!
You will never be forgotten*
