“ Greig, Jeff, Mark, Jerry and Becky, I failed to mention Greig in my previous message so I just wanted to let big Greig know he's not forgotten.

*Thinking back as kids growing up in Clifton, I always thought of your family like a second family for me, I probably spent more time at your house than mine. I can remember we all took turns washing those dishes, we all went to the wrestling matches free thanks to your dad, and we all went swimming in the river down at the old bridge cutting our feet on the broken coke bottles. I could go on and on talking about all the good times and some of the bad times, but I really just wanted to let all of you know that I also thought of your mom as a second mom, and I will miss her as well.*
