We are so heart broken for you, his baby girl and all the family. We are @ a loss for words that will express how sorry we are. the feelings of grief that we feel. Kyle touched many lives. He touched ours. Our prayer is that God will wrap his arms around you and bring you comfort and peace, And you feel all the love and prayers going out to you...

“ Dawn there are no words to express how sorry we are. In the days to come I hope you feel the love and prayers that are being said for all of you. From one mom to another I feel your pain and know that only through your faith will you survive.
