“ Joe and Marty, Just want you to know I am thinking of you at this sad time. Though I did not know your mother, Joe, I can empathize with the loss you are experiencing. I found concentrating on all the good times of the past was helpful. I hope you can do that also. Hope to see you soon. Madeleine##imported-begin##Madeleine Ritchie##imported-end##

“ Your mother has left behind a thousand moments that will live in your heart forever...It will be the little things you remember, the quiet moments, her laughter, the smiles, her smell and touch and sense of humor that will help overcome this difficult moment and although it may seem hard right now, those little memories will help push away the pain and bring smiles back again. I have fought the fine fight, I have run the course to the finish, I have observed the faith.-2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me. -Psalms 3:5##imported-begin##Magallon family##imported-end##
