“ Sorry to hear of Robert's passing. He and I worked together for over twenty years at Sonoco. Robert was always willing to help whenever asked. He helped me on many projects with good electrical and programming support. Robert was a very hard worker. We had many good conversations about work, sports (NC vs Clemson), cars/trucks and life in general. He had a big heart for people and his family. I will miss my friend! My prayers and condolences to his family.
