“ Miss Hollie, Linda Ann, Jimmy, Shirley and everyone. Sorry to hear of L.B.'s passing. It's hard to believe I have been gone from Hartsville for 39 years, it seems it was only yesterday we were growing up! Those memories are precious. Miss Hollie, I can still recall visiting you in both houses and always talking about flowers, and recipes. Shirley I remember the early years of your marriage, and L.B. mostly as young and always being around while growing up, so look back on all the good memories of him and you will have him forever. He is in a much better place now, and I feel we will all be reunited one day.
Much Love and Peace to all of you. (Geri Sue Munn)##imported-begin##Susan G. Mills##imported-end##

I am sorry about the loss of L.B. I knew God called him home for a reason but I know he is better off in Gloryland than here on this tragic earth with us. God will be with you always through your time of need. You will always be in my prayers.
