“ I met Darrell 28 years ago in Jacksonville, FL, I had just moved to Florida and adopted Darrell as my brother. I have some of the best memories of Darrell, we would get off work and sit in Denny's and talk the night away. My son came to work with me, he was terrified when I went into a room to do a sales presentation so Darrell had him in the hallway playing golf taking his mind off of his mother in a room with strangers. Darrell was always there for me, he'd listen to my big problem and make me feel better. I have nothing but the most wonderful memories of Darrell and will miss him for the rest of my life. My husband and my son are heartsick that Darrell didn't make it back to Jacksonville, to sit on our dock and look out at the St. Johns River, Darrell always talked about getting better so he could visit. Love you always, Darrell.
