“ I am so sorry to hear about each of your parents. I loved Ms. Lela and spent a good deal of time around her at Belk's years ago. I can not smell Paloma Picasso without being reminded of her. I still have the little bottle she gave me after telling her how good she smelled. You will all be in my thoughts and prayers.##imported-begin##Beth Gainey##imported-end##

“ Larry and Family,

I was so sorry to hear that your parents had passed away. Both of them were so sweet to me when I was little growing up on Kenwood. Your Dad always had time to stop and speak to me when I would ride my bike and stop to speak to the dog in the back yard. My daughter Ally and I usually would take a walk after eating lunch with Mom and Dad on Saturday and "Alex's grandmother's house" (my daughter went to PaPa John's) was the turning around point. Your mom always had a kind word for her and we enjoyed speaking to her.

Both will always be included in the fond memories I have of growing up on Kenwood.

Sincerely,

Mandy Tyner##imported-begin##Mandy Rion Tyner##imported-end##

“ Larry and family,
I am truly sorry for your loss. To lose both parents so close together must seem unbearable. Remember, God does have his plan and it is not always our plan. There is comfort in knowing that they are together. You were blessed with very special parents. My prayers are with you and your family.

“ Dear Susan and Larry,
We were so sorry to hear about Lela's death. Lela was such a beautiful, sweet, and unpretentious lady. We will always remember her gentle voice and her wonderful, contagious smile. She made each of us feel so special, whether she was assisting us in our clothes selection at Belk's, or throughout her many years of devoted Christian teaching & influence to each of us at First Baptist Church who were fortunate enough to know and love her. We will miss Lela, (and Laurence), and they will forever be in our hearts. Please remember that you and the entire family are in our thoughts and prayers.
