“ Danny was a very dear friend of mine. I miss his smile and his wit. I think of him often and wonder how his family is. He loved them very much. He was a South Carolina Panther fan. I painted him a paw on a Rock and he loved it . I miss him.

“ Leo was a kind, generous, loving man who would often go out of his way to help others. I'll miss him sitting alongside me at church, his southern cooking, and his wit. I was priveledged to be his friend and eternally grateful for God allowing us to get to know one another.

*My condolences to his family. He will be missed.*

“ My condolences to the family. I met Leo in Lakeland, FL two years ago. He was always a bright light every time I saw him. I enjoyed spending time with him and seeing him smile. I will miss our chats and those great big bear hugs. Leo your laughter and love helped me through some speed bumps, and I will always love you for that my dear friend. Until we see each other again...

*My entire family knew Danny and that's only because he was considered one of us.  
If someone could only retrieve the VM I left him recently just because I am not use for one week to go by without hearing from him, this would explain our friendship. I had no idea he was gone.  
Miss you Buddy!*
