“ I am so glad that I could be a part of, along with so many of my family, in the final months of my mother's illness. She was very well taken care of; Thanks to New Life Hospice and all the special family members who helped us out (her special granddaughter nurses and cooks and other family members that helped with radiation/Dr. appt transportation and housecleaning!), I don't know what we would have done without all your help! The entire family loved this special strong christian lady. I wished that she didn't have to suffer, but it is so comforting to know that she is in heaven and pain free. We all miss her and loved her very much. I am very honored that God chose me to be her daughter.##imported-begin##Gwen Hayden Steinmeyer##imported-end##

“ I am so sorry for your loss. It seems we never have the time to visit and be with all the people we love and care about. It would be an eleven hour drive for me, from Biloxi, MS; but I wanted you all to know my thoughts are with you and I wish I could be there.
