“ Greg,  
*I have been praying for you both during the long battle with cancers. I will continue to pray for you. You have been good neighbors for the last ten years. I especially appreciate all the time Linda spent with Rose during her last few years. I did not know anyone else who could eat lunch and talk for two hours at a time. For a time, when Linda went for medical appointments in Florence, Rose accompanied her.*

“ Dear Greg,  
*Our hearts and prayers go out to you during this most difficult time. Linda was such a sweet soul and she continued to care for others even when she was suffering. Her friendship meant so much to my mother; you can never know how she treasured their lunches together. It is never easy to say goodbye, but we are so thankful for the special memories which keep our loved ones close in our hearts. May God give you the strength to face each new day and draw closer to Him.*
