“ I am so sorry to have just learned of Ms. Munn's passing! I remember going down to the beach with y'all and having a total blast! Je Ne' wouldn't let me drive because she already had her driver's license! I only met her a hand full of times but she was always sweet to me and made me feel like I was part of the family! I'm sending you lots of love, hope, prayers and remember when you get down she's in heaven looking down on you, in your##imported-begin##Jene & Ms. Linda##imported-end##

“ There are no words to say how I am feeling right now. My heart has broken for you all. I know that Linda loved you all so very, very much and lived a life of devotion to you all. I know you will miss her, but just think, she and my daddy are sitting in some rocking chairs now just chit chatting about everything. She was a wonderful lady and has left a marvelous legacy. We love you all and will continue to pray for your peace and comfort in the days ahead. If you need us, we are just a call away. LOVE TO YOU ALL!
